

Online Course Schedule by Semester
Department: Information Technology

Semester: Spring	
Course Code	Course Title
ITT101	Computer Information Systems
ITT102	Discrete Mathematics I
ITT104	Database Management Systems I
ITT200	Object Oriented Programming using C++
ITT201	Data Communication & Networks I
ITT203	Data Structure & File Management I
ITT205	System Analysis & Design I
ITT208	Internet Authoring I
ITT308	Management Information Systems
ITT401	Intelligent Systems
ITT410	Linux+
ITT411	Project+
ITT422	CyberSecurity Analysis +

Online Course Schedule by Semester
Department: Information Technology

Semester: Summer	
Course Code	Course Title
ITT101	Computer Information Systems
ITT103	Programming Techniques
ITT209	Building Applications with C#
ITT405	Human Computer Interaction & Interface Design
ITT302	Operating Systems
ITT408	Information Assurance & Security
ITT403	Data Communication & Networks II
ITT308	Management Information Systems

Online Course Schedule by Semester
Department: Information Technology

Semester: Fall	
Course Code	Course Title
ITT101	Computer Information Systems
ITT103	Programming Techniques
ITT106	Computer Essentials & Troubleshooting
ITT300	Discrete Mathematics II
ITT301	Data Structure & File Management II
ITT303	Programming Design using Java
ITT304	Database Management Systems II
ITT305	System Analysis & Design II
ITT306	IT Audit & Control
ITT307	Internet Authoring II
ITT309	Computer Security
ITT403	Data Communication & Networks II
